ABOUT JOURNAL

Scientific Papers of the University of Pardubice, Series D journal aims to be an open platform for publication of innovative results of theoretical, applied and empirical research across a broad range of disciplines such as economics, management, finance, social sciences, law, computer sciences and system engineering with the intention of publishing high quality research results, primarily academics and researchers.

The journal is published every year since 1996 and papers are submitted to review. The paper is included in the List of reviewed non-impacted periodicals published in the Czech Republic, it is also indexed in Scopus, EBSCO Publishing, ProQuest and CNKI Scholar. The journal is published 3x per year.
